

KANSAS TRACTOR CLUB

Issue No. 36 Fall 2021

September was filled with Shows

September was filled with tractor shows. Even August had the second annual tractor and car event in Galva, Kansas. It included an antique tractor pull, hosted by the Great Plains tractor club. Everyone who brought a tractor could take their turn at plowing. Lots of great food and lots of great looking tractors and cars. There was plenty to do from morning after everyone arrived until the late evening with a dance. This was truly a day long event.

September started out with the second Saturday with the Tractor show at Orschlen Farm and Home Tractor show in Salina. 19 tractors made the trip to Salina. The weather was a little warm, but there was plenty of cold drinks and light conversation. The event lasted until about 3. With the winner announced. I had not received the name of the winner.

Assaria Car and Tractor show was on the 25th of the month. Stienerts Tractor supply sponsored the Kansas Tractor Club at this event. They sent us hats to give away and other items including their candy. This same weekend was the Salina Street Fair in front of the Smoky Hill Museum on Iron Ave.

There was a parade proceeding the downtown event. This was the second parade down Santa Fe in over three years. The street had been under construction for the first two and then Covid pandemic canceled all parades last year. There was a huge crowd that turned out for the event.

The first weekend in October was the date for the Heritage Days Festival - Dickerson County Heritage in Abilene Tractor and Car show. A short tractor drive was sponsored by the county on Friday for those that arrived early. The big event was on Saturday. It was great weekend to enjoy getting out of the house and work shed. Lots of people attended the event and lots of tractors for everyone to see.

Ellsworth Orschlen Farm and Home is scheduled for the 9th of October. If you have not had enough shows, hope you can take in this event. The weather should be perfect.

It was great to see so many people getting out and attending these events again. Hopefully next year's calendar is full of a lot more events for everyone to attend.

Annual Member Event is set!

I visited with Club President Cain Hiner at the Orschlen tractor show in Salina and he announced that the Annual Members meeting will be the first Saturday in February.

He has worked a deal with Rex Russell and we will be able to use his place in Mentor again for the meal and meeting.

We met here 2 years ago and it seemed to be the ideal place for a great group of antique lovers to meet and enjoy a meal together.

There will be several announcements including the announcement of a new club President. You will get to meet one of the newest board members for the club. The meal will be paid for all club members and guest. If you think about it, send us a note if you will be attending. The meal will be catered from the same group that had served our last meeting.

Arrive early and pay your annual dues and pick up your new membership card.

Arrive early, stay late and enjoy taking a tour of museum.

Hope to see you there. Be sure to tell your friends about the meeting and maybe we will have a few new members from this event.

Hope to see you there!

Member List

In future newsletters we be adding members name and hometown and hopefully their favorite tractor to each newsletter. We value your membership and want to make it known to whoever reads this newsletter.

Scholarship Updated

The scholarship application has been updated and posted to the Kansas Tractor Club Web site.

We wanted to make sure that anyone who would be or is attending a Trade school or 2 or 4 year college had a chance to win the scholarship

We remove the option that the applicant needed to be related to a KTC member.

All applications will be reviewed.

We will be moving the date that the application is to be submitted back to April 15th of year. With the announcement of the winner by the end of the month so that winner can be announce at their High school graduation. Please take look at the online application and pass the news about the application along. We would love to have a lot of applications next year.

Scholarship Winner Announced

Peyton Piepho of Minneapolis was this years Kansas Tractor Club Scholarship winner. Peyton has been notified that she is the winner. She is attending Kansas State College in Manhattan.

She is currently enrolled at Kansas State University and pursue an Ag Education degree. She had this to say about her future...

Ag Education interests me as I've taken ag classes throughout high school and benefitted greatly from the opportunities I've had in FFA. My dad is a teacher and my grandfather is a retired ag teacher, so following in their footsteps is intriguing. At the same time, I love to work with my hands so this degree would allow me to teach students shop skills including welding and designing projects.

And lastly, I'll admit that the little boy in me loves playing with remote control vehicles, very much like drones. I received a drone certificate from Cloud Co. Community College and through that program I have discovered that drone applications in agricultural are endless. I believe drones will become increasingly important in agriculture, whether using them to check irrigation pivots, crop damage after a severe storm, or on cows that are calving. It's exciting to see how I might implement drone technology into an educational classroom. No matter which career path I choose, I'm certain I'll secure a career that will allow me to continue my passion in agriculture.

Calendar Events

Get your 2022 calendar events submitted to the Kansas Tractor Club to be posted on the kansastractorclub.com web site.

If you send flyers for your event, try to send them in PDF format. It is easy for others to view on their browsers. We would like to start to put together the new year calendar so that it will be posted for everyone by the new year.

Submit your events to dhelm537@gmail.com. Once I have a handful to list they will be posted in plenty of time before your event. There is not charge for this service.

You can become a member of the Kansas Tractor Club. You don't have to own a tractor. Club fees are collected to award scholarships to youth to build tomorrows farm. Go to kansastractorclub.com for details.

We are accepting Scholarship applications Now

The Kansas Tractor Club wants to award a college student with at least 1000 dollars. This is for anyone attending any 4 or 2 year college

and vocational school, like Salina tech. Encourage anyone to fill out the application located at the Kansas Tractor Club web site. We must have all applications

before April 15th and we will award the winner on or before by April 30th. Go to www.kansastractorclub.com and click on the scholarship link. Complete the form

online and email or print it out, and send it to...
